

Fall Creek Falls Bed & Breakfast

Fall Creek Falls Bed and Breakfast opened in 1991. It was the first bed & breakfast on the Cumberland Plateau in the Fall Creek Falls State Park area. Owners and innkeepers, Doug & Rita Pruett, offer a comfortable and pleasant stay in their luxurious bed and breakfast country manor home. They have lovingly operated their impeccable residence for over eighteen years and have seen a lot of satisfied customers. These guests have enjoyed the sprawling acres, amazing views, and delicious breakfasts cooked by Doug.

Talk about a scrumptious breakfast, come visit and allow Chef Doug to spoil you with recipes handed down from his grandmother. A typical breakfast might be Stuffed French Toast with Homemade Apple Cider Syrup with Sausage and Cooked Apples, or his more recent addition to the menu - "Peach Crème Cheese Stuffed French Toast" with Lemon Poppy Seed Scones and Homemade Cinnamon Rolls. Of course, along with breakfast you will be blessed with Doug's fascinating conversations with his guests or anyone willing to join! Doug loves to tell stories and share his viewpoints. Often you will find men in the kitchen talking with Doug about bow hunting or fishing. He is an avid outdoorsman and knows the Fall Creek Falls area better than most folks.

Since opening, Rita and Doug have hosted many country music singers and songwriters, senators, foreign travelers, and a multitude of work-weary guests, newlyweds, and of course thousands of other visitors to the beautiful Fall Creek Falls region, all leaving with fond memories and happy hearts.

Rita, a native of the area, is a tireless cheerleader for the Fall

Creek Falls region. She feels that the Fall Creek Falls State Park is still one of the largely undiscovered, non-commercialized vacation spots in the South. Her determined efforts have brought positive change to the area with over 64 developers discovering the region. She highlights the region, working closely with both Chambers of Commerce surrounding the park; the Pikeville-Bledsoe County Chamber of Commerce and The Greater Van Buren County-Spencer Chamber of Commerce. In addition, Rita works with Tennessee's state tourism officials, both statewide and regionally, to promote the area and to give exposure to this fantastic unspoiled outdoor recreation paradise.

Fall Creek Falls Bed & Breakfast Inn is the only AAA rated lodging facility near the park and is surrounded by natural beauty, privacy, hardwood trees, horses, and wildlife. Guest accommodations include six air conditioned guestrooms, a two room suite, and the romantic MeadowBrook Cabin nestled behind the manor which gives guests their extra privacy, but still lets them enjoy the amenities of a bed and breakfast. Doug hand delivers breakfast to the cabin, making guests feel extra special. All have private baths, and the sunny, glassed-in Florida Room has magnificent views for the guests' enjoyment, along with TV/VCR's, movies, and magazines available.
